Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed, to the undersigned's knowledge, before the mailing date of a first Office Action on the merits for the above-referenced application.

One of the non-patent literature documents listed is the International Preliminary Examination Report ("IPEP") for PCT Application No. PCT/JP2003/004531. One of the documents cited in the IPEP is Perrin et al., C. R. Acad. Sci. Paris, Sciences de la vie, 324(12):1125-1132 (2001). The Perrin reference was submitted previously with the Information

Disclosure Statement and Form PTO-1449 submitted October 8, 2004. Therefore, it is not submitted again and is not listed on the enclosed IDS Form PTO/SB/08.

Copies of the listed foreign and non-patent literature documents are attached. An English translation of each non-English document is enclosed. A copy of the U.S. patent publication is not enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
